

## DEROGATION REQUEST FOR REPRODUCTIVE MATERIALS

<b>Operator's name</b>	
<b>Operator's code</b>	

**Reason for derogation request** Annex II (1.8.5.1) of regulation (EU) 2018/848

<input type="checkbox"/>	The varieties of the species are not available in the Country	<input type="checkbox"/>	For research purposes
<input type="checkbox"/>	The supplier is unable to deliver the seeds, and/or the vegetative propagating material before sowing or planting despite ordering the seed or seed potatoes in reasonable time	<input type="checkbox"/>	For variety conservation purposes
<input type="checkbox"/>	The variety which the operation wants to obtain is not available in the Country, and the operation is able to demonstrate that none of the available alternatives of the same species are appropriate and that the authorization therefore is significant for the production	<input type="checkbox"/>	To test in small scale field trials

**Reproductive Materials Information** (add as many rows as the number of crop species)

Name of crop species	Variety	Volumes (kg)	Sowing Month, Year	Field(s) code(s)	Treated	Status*
					Choose	Choose
					Choose	Choose

<b>Supplier</b>	
-----------------	--

Is the request submitted before the sowing of the crop?	<input type="checkbox"/> Yes - <input type="checkbox"/> No
Are the seeds and/or the vegetative propagating material supplied through a third-party company?	<input type="checkbox"/> Yes - <input type="checkbox"/> No

**Documentation**

<input type="checkbox"/> Vendor Declaration	<input type="checkbox"/> Invoice(s)	<input type="checkbox"/> Seed photos	<input type="checkbox"/> Specifications	<input type="checkbox"/> Research documentation
<input type="checkbox"/> Letters/ emails ( <i>minimum 3</i> )	<input type="checkbox"/> Certificates	<input type="checkbox"/> Lab report(s)	<input type="checkbox"/> Treatment info	<input type="checkbox"/> Governmental declaration
<input type="checkbox"/> Other:				

**Declaration:**

I hereby declare that all information given in this application is true, accurate and can be verified at any time. I also declare that I will provide any further information required for the Authorization of the non-organic seeds, if requested so by A CERT and/or the Competent Authorities of the Member States in the European Union.
